# Class Descriptions

## SAIL

This workout is designed to help reduce the risk of falling by improving balance, mobility and strength. Exercises can be done sitting or standing and are intended for all fitness levels.

## Cross Trainings Pilates & Weights

A total strength training using a variety of equipment, including weights.

## Stability Yoga Ball

While sitting on a large ball, you will learn to perform poses that will improve strength, flexibility and stability. The body responds to the instability of the ball to remain balanced, engaging many muscles while focusing on the abdominal and back muscles.

## YogaBurn

YogaBurn is a full-body workout that combines elements of yoga, strength, and resistance training. It is an efficient and effective class designed to work the entire body on a yoga mat set to upbeat music. Suitable for students of all levels. YogaBurn incorporates bodyweight exercise, dumbbells, and resistance bands to intensify functional movement.

## Just Dance

Easy to follow and fun dance moves! This class will leave you feeling energized!

## Stretch & Restore

Low-impact class designed to help your body recover, relax & reset. This class focuses on improving flexibility, releasing muscle tension, & restoring mobility through slow, controlled stretching and mindful breathing. Ideal for rest days.

## Personal Training

Stop by the front desk to book a personal training session. These do require an additional charge.

## Easy Does It

This class includes cardio, stretching and strength training at a steady pace that is easy to follow. This class is intended for all ages and can be tailored for your needs.

## Cross Trainings Cardio

This class includes alternating cardio routines that can be done at your own pace.

## Oula

OLA-Power! is a 45 minute conditioning class. It includes moves from HIIT formats, Pilates, yoga and dance. The music is carefully selected to inspire you.

## Yoga

An ancient practice that involves physical poses, concentration and deep breathing. A regular yoga practice can promote strength, calmness, flexibility and well-being.

## Chair Yoga

A gentle form of yoga that can be done sitting on a chair or standing on the ground while using the chair for support.

## Core, Strength & Stability

Pilates-inspired class that builds core strength, full-body stability, and better posture through controlled, low-impact movements. Using body weight and light equipment, it improves strength, balance, flexibility & functional movements for all fitness levels.

## Bootcamp

Full-body workout that varies each time. It will include a combination of strength-training, cardio, balance & core.
